FOR IMMEDIATE RELEASE

Praise Incorporated Southern Gospel Concert

A new group is discovered ever so often in music, but Praise Incorporated has the Southern Gospel world talking about their, tight harmonies, dynamic style and interpretations of Southern Gospel music. In just five short years this group has been nominated in the top five by the U. S. Gospel News as Quartet of the year, New Excelling Artist of the Year and in 2005 they were chosen as the Horizon Group of the Year at the Grapevine Opry. They have been nominated for the fourth year in 7 categories for the SGM FanFair and Southern Gospel Music Award.

Their first project called The Genesis Project started this ministry with a major boom! They followed it up with a foot stomping project called Motivatin' Music. In their first year this group fulfilled more than 130 concerts and quickly grew to over two hundred fifty in 2007. They ended 2008 with 266 concerts. Spreading God's word through song is the goal and they take their calling seriously. Their project released in September 2007 is called My GOD Is Bigger Than That. From start to finish, this soul stirring project will leave no doubt this group uses their music to proclaim Jesus Christ as Lord and Savior. Still Praising also released in September 2007 is a compilation of songs from all of their CD's. Their new Live Praise CD was released in the spring of 2008 and in August 2008 a new project called Contagious Praise was released. This project will move you to sing and shout the praises of our Lord. 2009 brings even more opportunities to this ministry minded quartet as they travel across this world sharing the good news of Jesus Christ to those who need His love, grace and mercy. They have proclaimed this year as revival time.

This quartet is comprised of Steve Sam, founder and Lead, Ron Higgins, Tenor, Dodd Meadows, Baritone, and Greg Bares, Bass. They use the talent that God has supplied to warm your heart and bless your soul. This ministry will get you on your feet and awaken your spirit. Be prepared to clap your hands, tap your feet, and enjoy the southern gospel sounds of yesterday and today.
